

Gillespie County
Republican Candidates Office
616 West Main, Fredericksburg Texas

The purpose of this office is to provide a central location for **ALL Republican** candidates for 2022 Republican Primary election to stage signs and handouts and prepare for block-walking in the vicinity of Fredericksburg, Texas.

The office is made available through our state representative, Kyle Biederman, who has generously decided to share part of his campaign office to allow Republican Primary candidates to stage their materials there up through the March 1 Republican Primary and a short time afterwards.

The building is **open from 8am to 5pm weekdays** and **9am to noon Saturdays** and **1pm to 4pm Sundays**, as well as by calling George Studor(281) 415-3986. The sign storage room, the second door on the left, and the conference room may be used for short meetings to prepare for block-walking. Public is welcome to get materials as needed.

Currently the office has signs and information cards for Allen West, Nubia Devine and Raul Reyes, but it is the hope that all other republican candidates will make use of it. We also have voter registration forms.
